

To provide or change your term deposit maturity instructions, please:

- Telephone 13 13 12 prior to your investment maturing; or
- Complete this form and return it to your nearest NAB branch.

Note: The interest rate to be applied to your new term deposit will be the one we advertise on the date of maturity. This may be higher or lower than the rate you receive for your current investment because we offer different rates for different deposit amounts and terms from time to time. We encourage you to get in touch with us at maturity to discuss whether the interest rate on your new term deposit meets your needs. You have 7 calendar days from the maturity date to make any changes or withdraw your money without cost. After the 7 day period has passed, you will need to provide 31 days' notice to withdraw part or all of your term deposit amount before maturity and a reduction in interest may apply.
